Letter from Holland
addressed to Sirhan
Signed Mrs. Estes

56-156-1A-178

11-25-68

July 30, 1968

Hoofdbureau
Gemente Politie
Utrecht, The Netherlands

Enclosed is a copy of a letter which was received by an ex-employer of Sirhan B. Sirhan.

Sirhan B. Sirhan, is in custody of the Los Angeles Sheriffs Office for the alleged assassination of United States Senator Robert F. Kennedy.

We are attempting to determine the authenticity of this letter and also the date it was sent from Holland to the United States. Our crime lab interpreted the post mark as being 21 VI 10, 1968. A clarification of this date is requested.

It is further requested that Mr. Esbes, be interviewed and that all information possible with respect to the writer of this letter and his alleged acquaintance with Sirhan be forwarded to this department.

At present there is serious doubt that said writer knew Sirhan. Investigation thus far indicates this letter is a hoax. Please be assured of our cooperation in all matters of mutual interest.

My dear friend

Thanks for Your letter of April 29 but am
I surprised to read that You have completely changed
your mind

What has gone into You. Sick??

I know You have always been a kind of
pessimistic even since the first time I know You
back in '64

But You can't live on that way, why don't You
try to change it?

I know arabian thinking is different than american
thinking, but don't forget. You have a real free life and
You can do whatever You like to.

Why don't You talk to your girl friend about it?
She will understand You As far as I can see, it is a
pretty girl Why don't You send me some more or better
pictures from both of You? Are You going to marry her?

I hope she will give You the life You want
Maybe You will have some kids then after a few
years and You will see everything looks different then
You wouldn't like it the way it is right now in the U.S?
or do you??

Look what happened to Dr King a couple of weeks
ago

I know to be rich is nice but I had so many bad luck in my life that I finally got used to it, and I am satisfied with what I have right now, and besides that my old boss came to me to ask me back to work

Well so you see, not having too much money, having a lot of risks and all that stuff, all of a sudden the tide turns. That 1st of June I will start there and I know I am going to enjoy it

Well dear Sirh I hope you won't do anything you will be sorry for later and please give me finally your real adress. I even believe that this adress is not complete without the name of the street. I thought Los Angeles was so big that this could hardly be enough

Why don't you get married right away than you can have your own adress. Moving from one to the other isn't good at all.

My daughter is growing up fine. She will be 9 years old at the 6th of August. Send her a nice card will you?"

Well Sirh I am going to bed now because it is pretty late and tomorrow I have a lot of work to do.

I hope you will write pretty soon so we will have better contact with each other than in the past.

I wish you and your girl all the best for the future

Many Greetings

Your friend
